

# ***I. New Ice-Cream Shop Opens in Shamrock Estates!***

## **1. Healthy and Delicious**

A new ice-cream and frozen yogurt shop called “Halko ” has recently opened in Shamrock estates. It is quickly becoming popular among the local residents because of its divine desserts. What's more, these sweet treats are all organic, dairy-free, and keto-friendly.

The founder of Halko, Melissa Bangs, says that “My goal is to make sure you can stick to your diet without skipping dessert;”. She has certainly succeeded in her mission, having created over 500 original dessert recipes for those with dietary restrictions. Knowing this, it's no surprise that Halko is a big success, and it looks like it will continue to grow even bigger.
